Why are cultural associations adopting cultural group term life insurance plans?

Group Term Life Insurance can help reduce your burden on the community in time of need. All members may enroll in the Group Term Life Insurance plan. The Guaranteed Issue Term Life is available to those who enroll in the first month of enrollment for the cultural group. A member that declines coverage can apply at the next policy anniversary. That member will be required to complete a Simplified Issue Application in order to be approved for coverage by The Hartford.

Why are cultural associations adopting cultural group term life insurance plans?

Have all cultural claims been paid?

Yes, claims have been paid within 1 to 2 weeks after The Hartford has received completed claim forms and required documentation. Deaths that happen outside the United States require extra time to process because documentation needs to be obtained from the embassy. It is possible for claims to be denied based on plan provisions.

Have all cultural claims been paid?

How are premiums paid?

The group receives a common billing for all members. Depending on your group, premiums can be paid monthly, quarterly, semi-annually or annually.

How are premiums paid?

How is the premium rate determined?

The premium rate charged is determined based on the demographic makeup of the group being quoted. Such factors include: the number of members, average age, male-female ratio, and benefit level.

How is the premium rate determined?

What about premium rate changes?

Individuals cannot be singled out for a rate increase. The Hartford reserves the right to change the premium rate table on any policy anniversary. This includes the right to change premium rates for a benefit that applies to all individuals of the same class, age, and sex. Premium rates will also change on the renewal date occurring on or next following the date an individual enters into a new age bracket.

What about premium rate changes?

Can our children be insured?

Yes, you may elect to cover your dependent children at an affordable rate. Your unmarried dependent children who are least 15 days old but under age 21, or under age 23 if a full time student, are eligible for coverage. Coverage for dependent children cannot be duplicated if both parents are covered under the policy as insured persons.

In Texas only, dependent coverage begins at birth, but not yet age 25, as opposed to 15 days.

In Washington only, dependent coverage begins at at least 15 days old but not yet 26; age 25, but not yet 26, and in full-time attendance to accredited institution.

Can our children be insured?

Can my child be my beneficiary?

If any beneficiary is a minor, The Hartford may pay his or her share, until a legal guardian of the minor's estate is appointed, to a person who at The Hartford's opinion is providing financial support and maintenance for the minor. The Hartford will pay:

1. \$200 at your death; and
2. Monthly installments of not more than \$200

Payment to any person as shown above will release The Hartford from all further liability for the amount paid.

Can my child be my beneficiary?

Can a member who belongs to multiple cultural associations have insurance coverage through The Hartford with more than one of those associations?

The Group Term Life Insurance Plan underwritten by Hartford Life and Accident Insurance Company, only allows coverage under one Cultural Group Association.

Can a member who belongs to multiple cultural associations have insurance coverage through The Hartford with more than one of those associations?

Can a member decline coverage and then apply for insurance later?

A member that declines coverage can apply at the next policy anniversary. That member will be required to complete an application that includes health questions in order to be approved for coverage by The Hartford.

Can a member decline coverage and then apply for insurance later?

How does our group get the Cultural Group Term Life Insurance Plan started?

“ We sadly lost a very beloved and wonderful student from our community. He went with his high school friends to the ocean on an authorized skip day where he drowned in deep water. The Children's rider from our Zambian Group Life Insurance Plan was very helpful to the family and our community in meeting the financial responsibilities of bereavement. Why are cultural associations adopting cultural group term life insurance plans?

Group Term Life Insurance can help reduce your burden on the community in time of need. All members may enroll in the Group Term Life Insurance plan. The Guaranteed Issue Term Life is available to those who enroll in the first month of enrollment for the cultural group. A member that declines coverage can apply at the next policy anniversary. That member will be required to complete a Simplified Issue Application in order to be approved for coverage by The Hartford.

Why are cultural associations adopting cultural group term life insurance plans?

Have all cultural claims been paid?

Yes, claims have been paid within 1 to 2 weeks after The Hartford has received completed claim forms and required documentation. Deaths that happen outside the United States require extra time to process because documentation needs to be obtained from the embassy. It is possible for claims to be denied based on plan provisions.

Have all cultural claims been paid?

How are premiums paid?

The group receives a common billing for all members. Depending on your group, premiums can be paid monthly, quarterly, semi-annually or annually.

How are premiums paid?

How is the premium rate determined?

The premium rate charged is determined based on the demographic makeup of the group being quoted. Such factors include: the number of members, average age, male-female ratio, and benefit level.

How is the premium rate determined?

What about premium rate changes?

Individuals cannot be singled out for a rate increase. The Hartford reserves the right to change the premium rate table on any policy anniversary. This includes the right to change premium rates for a benefit that applies to all individuals of the same class, age, and sex. Premium rates will also change on the renewal date occurring on or next following the date an individual enters into a new age bracket.

What about premium rate changes?

Can our children be insured?

Yes, you may elect to cover your dependent children at an affordable rate. Your unmarried dependent children who are least 15 days old but under age 21, or under age 23 if a full time student, are eligible for coverage. Coverage for dependent children cannot be duplicated if both parents are covered under the policy as insured persons.

In Texas only, dependent coverage begins at birth, but not yet age 25, as opposed to 15 days.

In Washington only, dependent coverage begins at at least 15 days old but not yet 26; age 25, but not yet 26, and in full-time attendance to accredited institution.

Can our children be insured?

Can my child be my beneficiary?

If any beneficiary is a minor, The Hartford may pay his or her share, until a legal guardian of the minor's estate is appointed, to a person who at The Hartford's opinion is providing financial support and maintenance for the minor. The Hartford will pay:

1. \$200 at your death; and
2. Monthly installments of not more than \$200

Payment to any person as shown above will release The Hartford from all further liability for the amount paid.

Can my child be my beneficiary?

Can a member who belongs to multiple cultural associations have insurance coverage through The Hartford with more than one of those associations?

The Group Term Life Insurance Plan underwritten by Hartford Life and Accident Insurance Company, only allows coverage under one Cultural Group Association.

Can a member who belongs to multiple cultural associations have insurance coverage through The Hartford with more than one of those associations?

Can a member decline coverage and then apply for insurance later?

A member that declines coverage can apply at the next policy anniversary. That member will be required to complete an application that includes health questions in order to be approved for coverage by The Hartford.

Can a member decline coverage and then apply for insurance later?

How does our group get the Cultural Group Term Life Insurance Plan started?

Testimonials

"Before our cultural group got life insurance through CGB, it was always very difficult to cover the funeral expenses. Our group members were mandated to make financial contributions often at a time when they least expected. It is now more than 13 years since we got group life insurance through CGB. During this time, we have filed 14 claims, all of which have been paid. We no longer worry about raising funds to cover funeral costs when a member dies. Our interactions with everyone at CGB have been quite pleasant and over the years. They are very responsive and eager to assist us through the claims process and this helps to ease the pain which comes with losing a family member. They have become a part of our family too. I would highly recommend CGB to any cultural group that is considering group life insurance for its members. This is not just for the low cost of premiums compared to other companies, but also for the professionalism of the CGB staff, their broad knowledge and their long history of helping cultural associations like ours." – Chris Mbaku, Insurance Coordinator, BACDA – USA Inc.

"I am the insurance coordinator of one of the groups managed by Cultural Groups Benefit Company and I am pleased to say we are very satisfied with your service. Our group, (Cameroonians of Lowell Association Inc.) has been doing business with Cultural Group Benefits for the past ten (10) plus years and you have never failed to deliver. Our association took about a year to look for the right insurance for our group and Cultural Group Benefits provided just that. Your rates are exceptional; your service is prompt and efficient and your staff is the best anyone can ask for. We are grateful for the service you provide and look forward to doing business with fun, hardworking and talented men with excellent customer rapport like Mr. Sam Ndely." – Khien Awasom-Nkimberg, CANOLA Insurance Coordinator.

"A major achievement for MECUDA-USA has been the successful Life Insurance Plan for all MECUDANS in the USA since 2009. This plan was designed by Cultural Group Benefits Company . The objective of this life insurance plan was introduced to me , the sitting national president of MECUDA-USA in 2009 by Mr. Sam Ndely who later became very instrumental in facilitating the membership of our organization into the program. MECUDA-USA has continuously renewed and grown its membership till date. This is as the result of the financial benefits that the beneficiaries of our departed members have received. Cultural Group Benefits has been of great assistance in facilitating the payment of death claims to the beneficiaries in all the cases we have reported. These have greatly assisted the bereaved families in meeting up with the funeral expenses. In my capacity as the Administrator of this program, I cannot over emphasize the importance and financial relieve this program brings to my community, MECUDA-USA." -Robert Toche, MECUDA –USA Life Insurance Administrator.
